FALCON FONDO REGISTRATION

The first annual **Falcon Fondo** is a non-competitive bicycle event open to all adults (18 and older); club racers, recreational bikers and novices. The course will run along the Waterfront Trail, departing and ending at the Falcon Brewery. There is a 25k course for recreational bikers, and a 75km for more experienced riders. There will be a BBQ with food and beer after the event.

A portion of the proceeds will go to the Durham United Way and to winners of the Poker Run. Each participant will receive a poker card upon departing the brewery, another three at stations along the course, and a fifth card upon return. The highest poker hands win cash and other prizes.

To sign up, please come to the brewery, or fill in and email this form to **jim@falconbeer.beer**
